Wallace Kierstead
31 Chesley Ave.

With relation to permit applied for to demolish a garage
at 31 Chesley Ave. it is unlawful
to commence demolition work until a permit has been issued from this
department.

Section 6 of the Ordinance for rodent and vermin control provides:
"It shall be unlawful to demolish any building or structure unless
provision is made for rodent and vermin eradication. No permit for the
demolition of a building or structure shall be issued by the Building
Inspection Department until and unless provisions for rodent and vermin
eradication have been carried out under supervision of a pest control
operator registered with the Health Department.

The building permit for demolition cannot be issued until the
provisions of this section have been satisfied. It is the obligation
of owner or demolition contractor or both to take up with the Health
Department the matter of complying with this section, being prepared
to inform that department what registered pest control operator is to
be employed.
