Re: Marginal Way

Dear Sir:

Your application to erect a tent 8/22/91 to 8/31/91 has been reviewed and a permit is herewith issued subject to the following requirements:

1. Exits shall be marked with exit signs. Ref Section 5-10 of N.F.P.A. 101 Life Safety Code.
2. Ushers shall have flash lights and an employee will stand by the back-up generator in case of power failure.
3. The exit capacity of the two 8' doors limits the occupant load to a maximum of 436 occupants.
4. Tents shall be constructed as required by the building code BOCA/National 1990 and NFPA 102.

If you have any questions regarding these requirements, please do not hesitate to contact this office.

Sincerely,

P. Samuel Hoffses,
Chief of Inspection Services

Proposed Project Description:
to erect tent from July 16, 1995 to July 31, 1995
Date Applied For: 6/22/95
Permit taken By: Latini
This permit applicant doesn't preclude the Applicant(s) from meeting applicable State and Federal rules.
1. Building permits do not include plumbing, septic or electrical work.
2. Building permits do not include work if work is not started within six (6) months of the date of issuance. Failure to start within six (6) months may result in a building permit and stop all work.

CERTIFICATION
I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent. I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in the application issued, I certify that the code official's authorized representative shall have the authority to enter all areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
