City Hall
Portland, ME 04101

Attached please find the plans for the parking attendants handicapped booth and the concrete ramp to provide wheelchair access and egress to the booth. The booth will be slightly larger than the current booth but will fit in the same area. The booth and ramp are all within the garage itself and thus should be treated as an interior renovation. The work is scheduled to begin on March twenty third and is a city project coordinated by Tom Velieux of the waterfront.

Thank You

Richard Smith

Re: 40 Commercial St

Dear Sir,

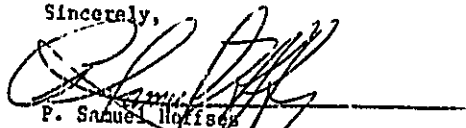

Your application to erect a spray booth has been reviewed and a permit is herewith issued subject to the following requirements:

No certificate of occupancy can be issued until all requirements of this letter are met.

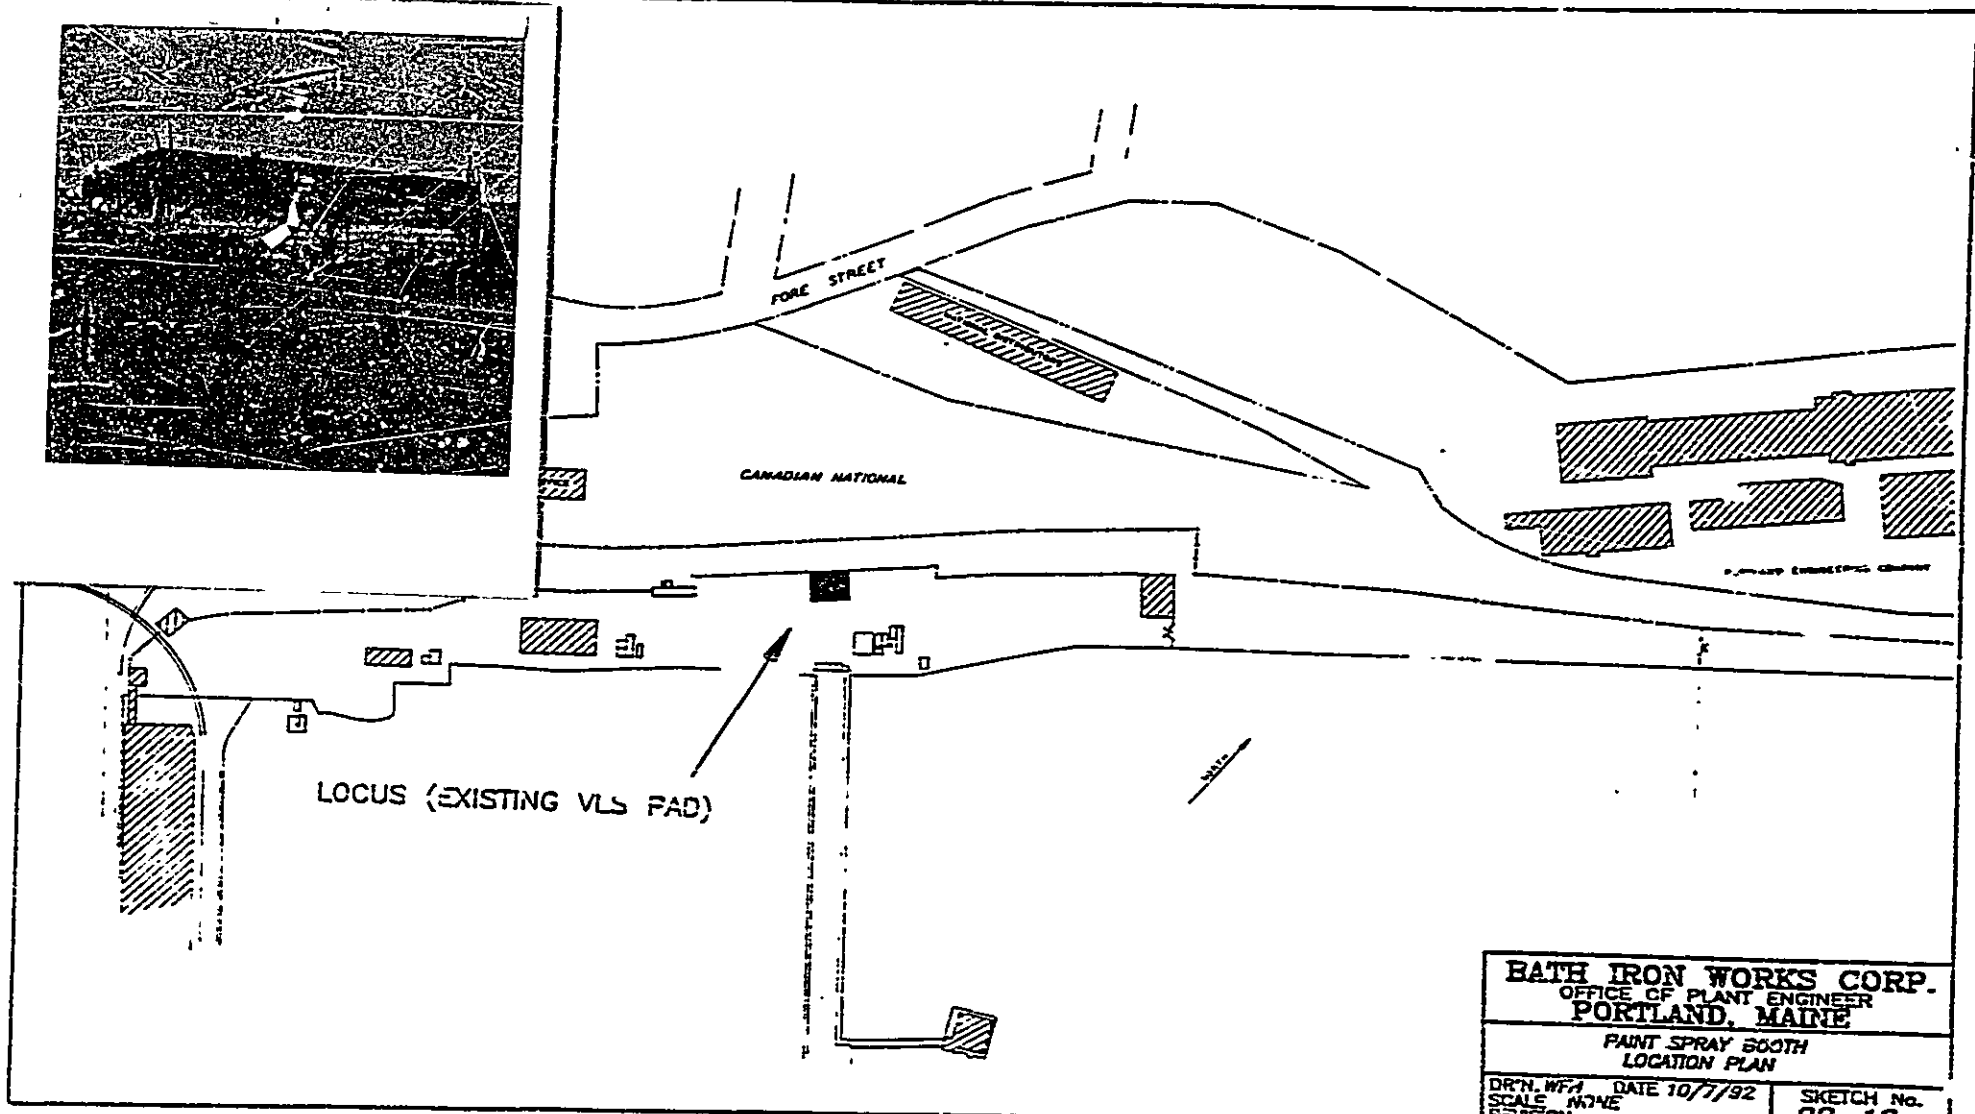

1. Building installed according to N.F.P.A. 33.
2. Air system will be installed as per N.F.P.A. 91.
3. Sprinkler system to be installed as per N.F.P.A. 13 & 33. Connection for fire department to be a 4" storz connection, location to be determined by plan submitted to the Fire Prevention Bureau.
4. Portable extinguisher to be installed as per N.F.P.A. 10, minimum requirement - 40 BC extinguisher.
5. No smoking signs shall be posted.
6. Two means of egress are required as per Life Safety Code, Section 28-2.4.1.
7. Means of egress will be illuminated as per Life Safety Code, Section 5-8.1.
8. Emergency lights will be provided as per Life Safety Code, Section 5-9.
9. Exits will be marked as per Life Safety Code, Section 5-10.

If you have any question regarding these requirements, please do not hesitate to contact this office.

Sincerely,

P. Samuel Hoffses
Chief of Inspection Services
