Re: West Commercial St.

Please be notified that one of your buildings along West Commercial Street has been demolished. Our files indicate no permit was applied for at the office. One must be applied for immediately.

It is also a concern of ours that the debris from the demolished building has not been removed. Sections 117.2 and 1308.1 of the BOCA Building Code which require that all demolition debris be removed immediately after demolition.

If you have any questions concerning this matter, don't hesitate to call this office.

Very truly yours,

Marge Schmuckal
