Re: Fern Ave, Long Island  
Permit # 89/264E

Dear Mr. Drake,

This letter is written at your request. According to Tom Johnson, the well in question is hand dug, hand pumped, and used for watering the garden and for some drinking purposes. This well does not appear on your septic system plans, and is 70' to 80' from your proposed leech field.

Sincerely,

  
Arthur Rowe  
Code Enforcement Officer
