Over 35 models to choose from

Wickes Lumber offers Wood Storage Shed package. A variety of styles and sizes to meet any need. Each of these packages contains all of the quality materials plus complete plans and step-by-step instructions to erect the building. Most of these models may also be increased in size in 2 foot increments and ordered with the siding and finish of your choice.

All models are available in a "stick" building package where we furnish all of the materials, plans and how-to information. In many areas, some models are also available fully erected. In other areas, prefabricated truss-ribs, wall panels and/or roof trusses are available. Check with your local Wickes Lumber to determine available options in your area.
