Portland, Maine 04103

Dear Mr. Lapomarda:

This is in reference to your application for a building permit for a single family dwelling at 16 Crescent Avenue on Long Island. In order to issue a building permit for your proposed dwelling, we shall need a Form HHE-200, result of Soils Analysis for septic disposal. We shall also need a building plan for the construction of your proposed dwelling.

We can not issue a permit for a foundation until such time as we receive a form HHE-200 proving that the site can be served by inground septic disposal.

Sincerely,

*Warren J. Turner*
