Dear Mr. Horn:

Confirming our conversation of this date and my inspection of the premises on the 19th, July, you are at present renting out only the second floor, using the first floor totally, as your own quarters.

The apartment on the second floor rear is not now in use and will not be in use in the future as you said it was being used for storage.

If this be the true situation, please confirm this letter, in writing, to us and we will file it.

Dear Mr. Williams,

On July 9, 1967 you applied at this office for a permit to demolish a one family dwelling that was gutted by fire at the above address. Reports from the Peaks Island Fire Dept. have indicated that you have made little or no progress toward the demolition of this building.

Unless you can give us some definite information as to when we can reasonably expect this building to be demolished, it will be necessary to bring this matter to the attention of the City Council.

Very truly yours,
